	Quantity Desired								
	Mouth Pieces (# Dozen)								

Special Youth Football Notes

Because of the high cost of safe youth football equipment, we offer the following:

Professional refurbishment of reparable helmets and shoulder pads.

Repair instructions for helmets ... see helmet hardware above.

If financially we are unable to meet your equipment needs, we will provide, for your consideration, an estimate of costs over and above our budget. Your organization can then donate an amount up to \$2000 to the Buddy Fund. We will use your funds and our budgeted funds to purchase agreed-to equipment for you. Your donation must be received by the Buddy Fund before any equipment can be purchased.
