Changing Lives Through Sports.

Who We Are

The Buddy Fund is a 501(c)(3) charity helping St. Louis area children without regard to race, ethnicity or religion. It was founded in 1962 by St. Louis Cardinals and St. Louis Hawks player/sportscaster Buddy Blattner to help redirect the lives of underserved and at-risk kids by supplying new sports and recreation equipment to charities and organizations in our communities.

Our Vision

We serve our local at-risk youth in partnership with dedicated schools, recreation, and youth organizations by providing new sports and recreation equipment to create opportunities for development of their physical and mental health, confidence and character, teamwork and respect for others, and academic expectations and personal responsibility.

Accomplishments

This year is a record year of providing sports equipment and supplies to 150 youth organizations that are located in low income neighborhoods, where they have direct access to the underserved, at-risk youth.

Since 1962, cumulative efforts by The Buddy Fund have helped over 500,000 youngsters and provided more than \$5,000,000 in sports equipment.

A Note from Buddy's Daughter Barbara

Dad's lifetime in sports made it extremely clear to him ... sports participation keeps boys and girls "off the streets," teaches them teamwork, develops their self-esteem and accustoms them to success (and failure) and to abide by rules and regulations. Young lives are improved and their odds of success as an adult are significantly enhanced.

Dad had broadcast over 800 St. Louis Hawks NBA basketball games and to show their appreciation the team showered him with multiple gifts at a special "Buddy Blattner Night" at Kiel Auditorium. He was overwhelmed by the generosity and struck with an idea. What if he returned the gifts for cash and founded a Sports Charity for needy, at-risk underserved youth. That's exactly what he did, and the Buddy Fund was born.

I want to express gratitude to all who made Dad's dream a St. Louis tradition: to those sporting goods manufacturers who provide sports and recreation equipment at a deep discount to support Buddy Fund operations; to organizations who sponsor fund-raising events such as today's golf outing; to Buddy Fund Board members and committees whose leadership has enabled 60 years of success, and to the thousands of individual supporters whose contributions have positively impacted the lives of over 500,000 boys and girls since 1962.

Dad died knowing the Buddy Fund was going strong and his family is thrilled and grateful that more and more young lives are being improved through sports and recreation participation. If he could be here today, he would be repeating his heartfelt thanks and shaking hands with each and every one of you.

Thank you so much,
Barbara nee Blattner Young
